

AGENDA:

- 1) Introductions**
- 2) General Questions**

Since the amounts charged for services may vary significantly from agency to agency, this may be best handled directly to the agency by the family seeking services. Contacts will be provided for each panelist - please reach out to them for this and other specific questions!

What is your application process?

Can consumers pick what residence they wish to live in? Is this just based on openings? Do you have a waiting list?

What is your staffing ratio and staff coverage time for your residence?

Do you provide transportation services to and from day programs or possible job locations?

If not, do you help train your consumers on public transportation if it is located by the residence?

3) General Audience Questions:

To conclude by 8:30 p.m. Please use panelist's contact info. To ask specific questions or any questions that we don't get to this evening.

Thank you!

Provider Agencies for Home & Community-Based Developmental Disabilities Services

The Nebraska Department of Health and Human Services provides an online directory of provider agencies for developmental disabilities services. Below is the link to the directory (provided as a handout). Also in handout form is info on DHHS waivers and Therap.

<http://dhhs.ne.gov/DD%20Documents/Agency%20Provider%20List.pdf>

If you are interested in provider agencies in the Omaha, Nebraska area, look at pages 25 – 29. This will provide you with the agency name, address, phone and contact person. In addition, we are providing you with the directory's chart of services offered so that you can see who provides Day, Residential and Respite services.

Members of this evening's panel include a snapshot of agencies available as well as a parent advocate, please defer to the directory to learn about more options:
